EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Pavelko on November 8, 2005.

The application has been amended as follows:

The dependency of claim 35 has been changed to depend on claim 34;

In the specification on page 1, the last line, the term "grove" has been deleted and replaced with – groove --; and on page 3, line 17, the term – use – has been inserted after the term "to".

2. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or suggest a panel having either a groove or tongue joining element wherein the joining element contains at least one tube that is sectioned into a plurality of segments in combination with all of the other limitations of claim 1 and 34.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
